This project consists of roadway construction, storm drain improvements, water line relocation and sewer relocation. Major items will consist of roadway excavation, removal of existing pavement, curb and gutter, fencing and utility lines relocation. It also includes sidewalk, concrete median islands, signing, striping and placement of reinforced concrete pipe, drop inlets and new manholes. The work will be completed on Martin Luther King Boulevard between U.S. 95 and Alta Drive and continues east under I-15.
